Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: RCDWR is relocating the current Lamb Canyon PHHWCF/CAF facility and is proposing to expand the footprint of the facility to accommodate for RCDWR's HHW collection services and the Load Check program. This expansion will increase HHW services in the central region of the Riverside County (see Exhibit 3 – Lamb Canyon PHHWCF/CAF Site Plan). The existing Lamb Canyon PHHWCF is 33 feet by 56 feet facility with three (3) conex boxes connected to each other. The expansion of the facility will consist of a 72 feet by 85 feet concrete pad, two chemical storage containers, an office building, a supply storage container, and a portable car port.

*Total Awarded for County: \$191,235.00***Sacramento County****Grantee:**City of Folsom**Amount Awarded:** \$59,082.00**Grantee Contact:** Mr. Mark Rappaport**CalRecycle Grant Manager:** Ashraf Batavia

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The City of Folsom is requesting \$59,082 in HD28 grant funding for a construction project to upgrade and make improvements at its Permanent Household Hazardous Waste Collection Facility. The improvements include installation of a new hazardous materials storage locker and a metal awning over the storage area for propane tanks/cylinders. These upgrades and improvements will result in increased program operations efficiency, expanded facility capacity, and improved worker safety.

*Total Awarded for County: \$59,082.00***San Luis Obispo County****Grantee:**San Luis Obispo County Integrated Waste Management Authority**Amount Awarded:** \$249,683.00**Grantee Contact:** William Worrell**CalRecycle Grant Manager:** When Kwon
